

ASSA ABLOY Flush mounted drop bolt is a durable fail safe electric bolt. In order to avoid the locking mistakes caused by internal mechanical failures the bolt and the magnetic valve is separated. It has all-in-one design of durable magnetic valve special photoelectric control system ultra-low temperature and power consumption design anti-intrusion and smart circuit.

Key Features

- Solid bolt polishing housing, 1000Kg Holding Force
- Fail-Safe: Locked when energized
- Autolock time delay 0, 3, 6, 9 sec
- Face plate material: 304 high aluminum
- Door Status Monitoring : Output, NO/COM
- Easy installation
- Endurance cycle tested up to 500,000 operations
- CE Approved

Applications

- Wooden Door, Glass Door, Metal Door

Ordering Information

Part Code	Product Description
AAIDRP200LAL	Flush Mounted Drop Bolt

Product Details

Face Plate	190 (L) x 30 (W) x 39 (H) mm
Strike	95 (L) x 25 (W) x 3 (H)
Decorative Panel	195 (L) x 35 (W) x 0.7 (H) mm
Bolt	16mm, Diameter, stainless steel 16mm throw
Voltage	12 vdc
Current	850 mA; 150mA
Induction Distance	8mm
Weight	0.6kg
Operating Temperature	-40°C to +60°C
